

Didar Ahmed Belal

Junior Software Engineer

Dhaka, Bangladesh | belal294@gmail.com | linkedin.com/in/didarbelal

PROJECT EXPERIENCE

Skill-Bridge - Freelancing Platform | Full-Stack Developer (React, Django, Stripe, SSLCommerz)

Jan 2025 - Apr 2025

- Developed a freelancing platform enabling buyers to post jobs and hire sellers for digital services.
- Integrated Stripe and SSLCommerz for seamless international and local payments.
- Implemented role-based authentication, real-time dashboards, and a custom review system.
- Built responsive UI with Chart.js analytics and custom dashboard icons.
- Designed secure Django REST APIs with JWT authentication and permission control.
